

Jim McGorman

BACKSTAGE AT ROCKSTAR: **SUPERNOVA**

BY TRENT SALTER

Musicians Hotline is excited to premiere a new monthly article on the hit music reality show Rock Star: Super Nova. Any musician can certainly appreciate the incredible musicianship of the Rock Star house band. Band leader Jim McGorman talks gear shop with Musicians Hotline, and keeps us informed on developments with the show and the challenges of producing in a live television situation. MHL first hooked up with Jim at the conclusion of last years Rock Star: INXS season. Jim is a very talented player, singer, song writer and producer. Check out his work with his new band Jamestown at www.jimmcgorman.com, or at a My Space (www.myspace.com/aboutjamestown) Jim is also a true Gearhead and tone tweaker. Rock on Gearheads. In part one of a three part series, Jim shares his gearbox with MHL...
